

# YAVUZ SİNAN AYDEMİR

JR. FRONT-END DEVELOPER

I graduated from Konya Technical University in **2021** with an average of **3.70**. Since 2016, I have developed corporate websites for many companies as a freelance. Throughout my education life, I have developed projects using technologies such as **Java, JavaScript, Node.js, React**. Finally, I have **B1 level English** proficiency, as I have been trained in a special language course for TOEFL and YDS for about 2 years. I am currently looking for a job where I can improve myself and use new technologies.
